Parents –

On Thursday, Murphy Elementary Principal Katie Jordan began a medical leave of absence that will last for 2-3 weeks. In her absence, the District has contracted with former administrator and current substitute in the district, Bob Doty. Bob will likely serve in this capacity through March 7.

Bob is a very capable administrator and we expect business as usual at Murphy in the coming weeks. We are grateful for his assistance during this time.

We wish Katie a speedy recovery and look forward to seeing her back at Murphy very soon.

Have a great weekend,

Jared Field
Director of Communications
Lapeer Community Schools
