Murphy Science Olympiad

The Science Olympiad Committee would like to thank everyone who volunteered to help make the Olympiad a success this year! We had 68 kids who were able to have fun and learn about veterinary science, geology, aerodynamics of airplanes, and constructing a package to safely drop an egg in. We had professionals in each room helping us including, Dr. Jim Koprowski, Dupont Airport, Flint Rock and Gem Club, and Dr. Ondrea Kassarjian - Packaging Engineer from Cardinal Health. There were three Metamora firefighters on hand to drop the egg packages safely from the top of a tall ladder! We had live animals to visit with thanks to USA Therapy, the Mullaney family, Lesh family, and the Aragones family. There were lots of fun raffle prizes, free t-shirts, and all the supplies thanks to Metamora Firefighters, Metamora Lions, Interpower Induction, and Lapeer Rotary Club. And finally, over 25 Murphy parents and former students volunteered their time to help make the event run so smoothly! Thank You to everyone who helped!! Science Olympiad Committee: Erica Aragones, Karen D'Anna, Christine Hibbler, Ann Mazur, Nina Miller, and Crystal Paton

Dress Policy Reminder

Hopefully the weather will start getting warmer and with that said, we would like to remind parents and students of some of our dress code policies. Please be careful of shorts/skirts that are too short. Also, the following items are not allowed at school: spandex clothing/leotards, tube tops, halter tops, bike shorts, or clothes that show the child's middle. Hats are not to be worn in school. Please remember your child should wear only tennis shoes outside for recess. Sandals, flip flops and Crocs are not appropriate for play and can be very dangerous. More details of the Student Dress Code can be found in the Student handbook.

The ONE and ONLY Murphy Elementary

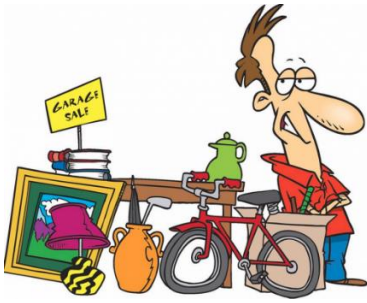

Our March is Reading Month festivities were great fun and a wonderful chance to celebrate reading with our friends!

Murphy students had the opportunity to meet author and nature photographer Ron Meyer.

The entire Murphy community participated in One School One Book and has been in constant conversation about The One and Only Ivan. This story is based on actual events and Murphy School fell in love with Ivan and all of his friends. Daily trivia questions challenged readers who also kept track of their reading each week earning prizes. Whether reading with their eyes or with their ears, every student had the opportunity to read and finish a chapter book outside of the school day.

Our Family Reading Night on March 23rd was a huge event with hundreds of Murphy students and family members attending. Thank you to the entire Murphy community for celebrating reading with our students!
